### Hints and Tips to read before starting your registration...

Play Football has a new system this year with lots of changes and they are still improving a few things.

1. Terms & Conditions - You will need to click on and open each set of terms and then tick the I agree box.

**Please Note:** You don't need to opt in for emails, but **ABH United** emails contain important dates and information so if you want to stay updated tick the box for ABH United.

 If you haven't already registered this year, at the beginning of your first registration it asks you to confirm/update your Participant Record. A new field **Place of Birth** must be filled in to proceed. More instructions in Item 3.

If you have never played soccer in Australia, you will need to create a new account.

- 3. Age 12 and up are required to upload a new photo this year so have it ready before you start. Item 11 has full guidelines
- 4. For the Verify Identity you must select a document to use if ABH request...this is after Photo upload. Document not required to be uploaded...just answer the question.
- 5. There is a panel on the left of the registration page as you go through and answer the question each item turns green when completed. If you get to a point you can't proceed, check to see if one of them is not green. If so, click on that item and it will take you back for you to review and fix.
